Dear Professor Yegorov,

On behalf of the Armenian National Agrarian University please accept our most sincere congratulations on the 115th Anniversary of Odessa National Academy of Food Technologies.

As you mark 115 years of remarkable success, this milestone offers a marvelous opportunity to reflect upon the illustrious history of ONAFT and the important contributions it has made to the Ukrainian higher education and research.

Nowadays ONAFT is the leader in training of specialists for food and grain-processing industry in Ukraine. Four educational institutes that comprise 11 faculties, the faculty of post-graduate education, the research institute, the college and three technical secondary schools with around 15,000 students, 2,400 teachers and employees, with about 100 professors and 400 associate professors are the pledge of success of this powerful scientific-educational center.

The membership of ONAFT in the European University Association and in the European Federation of Food Science and Technologies is the confirmation of the high quality of higher education and higher technical education it provides. Leadership, strength, collaboration, confidence, achievements and victories, century traditions and significant innovations, powerful scientific and staff potential form industrial, scientific and business leader of national food, grain-processing and mixed fodder industries, industry of machine building and automation, production of technical gases, thus indicating the high status of ONAFT and guaranteeing its further prosperous development.

I am convinced that the glorious traditions, educational and scientific achievements of the Academy enjoy high respect and make it an institution of academic excellence.

We wish you incredible accomplishments and a bright future full of continuous cooperation.

Warmest regards,

RECTOR

A. P. TARVERDYAN
